Lily Bar & Lounge is located in the center of the world-class Bellagio Resort & Casino. Offering a refreshing take on the Las Vegas entertainment experience, Lily's atmosphere is intimate and sophisticated.

The design is sleek and luxurious, including Spanish-imported stone tabletops, antique-inspired mirrors and plush leather couches. Lily's design complements the lounge's inventive array of seasonal cocktails, created by Lily's master mixologist.

The 3,393 square foot lounge features multiple HD TV's, an elevated DJ booth and a premium bar. Whether it is for a corporate event, or to enjoy a few specialty cocktails in a laid back and relaxing setting with friends, Lily provides the optimum in service by paying close attention to detail to meet the needs of each and every guest. Lily Bar & Lounge promises an unforgettable experience.
